

Using/Viewing your ANSWER KEY PDF  
Mortensen Math World Headquarters  
09-14-17

#### **MAC USERS**

If you do not have "Adobe Acrobat Reader" you already have a FREE pdf viewer called "Preview"

#### **WINDOWS USERS**

We have included a FREE pdf viewer called "Sumatra" in case you do not have Adobe Acrobat Reader

**For Both Mac or Windows:** The CD has a Readme.rtf file that is important to examine

#### **ANSWER KEY VIEWING INSTRUCTIONS**

1. Insert Mortensen Math CD into DVD/CD drive
2. Wait for prompt to view files on disk and open
  - 2A. If the prompt does not load, go to "My Computer" and select the DVD/CD drive and open.
3. Click on and open "Answer Keys L2-L5 Mortensen Math World Headquarters Copyright 2017" Folder

If you have "Adobe Acrobat Reader" select the Answer Key you desire and open.

#### **IF YOU DO NOT HAVE ADOBE ACROBAT READER**

1. Select the "Windows pdf Reader Viewer" Folder and open.
2. Select and open the "Sumatra" Folder that best describes the computer you are using to view the Answer Key.
3. Select and install the best "Sumatra PDF Viewer" for your system.
4. Once installed select "Open a Document." This will open a menu for you to select the PDF you desire.
5. Select and open the DVD/CD drive in the side menu under the "Computer" directory.
6. Select "Answer Keys L2-L5 Mortensen Math World Headquarters Copyright 2017" and open the Folder.
7. Select the desired Answer Key and view in Sumatra. This may take a moment to open.
